

## ENGLISH SPARKLING

**WINE HAS BEEN MADE** in England since Roman times, but only in the last two decades has it really started to come into its own. The quality of English sparkling wine is growing year on year, and here at The Bloomsbury we are proud to be champions of this wonderful local product. Our selection, which is one of the most extensive in the country, has been carefully

curated by Master of Wine Anne McHale and has been arranged by county. Different styles (*classic, blanc de blancs, blanc de noirs and rosé*) are represented; you will also find wines made both from the classic Champagne varieties *Pinot Noir, Chardonnay and Pinot Meunier* and from lesser-known, quirky grape varieties. We hope you enjoy the selection.

*The soil charms the vine:  
and England's harvest exults  
in beaded bubbles.*
