## THE CORAL ROOM TEA SELECTION

from Rare Tea Company

### BLACK TEA

**ENGLISH BREAKFAST** Makaibari Estate, Darjeeling, India and Satemwa Estate, Shire Highlands, Malawi

A traditionally British tea crafted for a unique depth of flavour. This tea combines the light floral nature of a Darjeeling with deeper, maltier notes.

**EARL GREY** Satemwa Estate, Malawi and Reggio Calabria, Italy

Elegant black tea scented with pure Calabrian bergamot. A clean and exceptionally bright infusion with exhilarating citrus notes.

**2ND FLUSH MUSCATEL** Temi Estate, Sikkim, India

High in the Indian Himalayas, at the border with Darjeeling and Tibet lies the secret region of Sikkim. Not as famous as its Darjeeling neighbours, but making a black tea of such delicious delicacy that makes the heart soar. This tea has a heady, floral aroma with soft notes of muscatel rapes. Best enjoyed without milk.

**SRI LANKAN HAND ROLLED** Amba Estate, Ravanna Falls, Sri Lanka

Only a few precious kilos are produced each year due to the quality of the leaf required and the amount of craftsmanship entailed in hand rolling the leaf. A uniquely sweet and delicate tea made with a great deal of devotion with a hint of honeysuckle. Best enjoyed without milk.

### GREEN TEA

**CHINA GREEN LEAF TEA** Fuding, Fujian Province, China

The leaves are fired in a wok over charcoal in the same way and in the same place they have been made for over 3000 years. Clean, bright and remarkably delicate.

**GENMAICHA** Shizuoka, Japan

Moriuchi Sencha with organic Japanese toasted brown rice. Rich, vegetal notes of buttery asparagus, with a popcorn like aroma and flavour from the brown rice.

### WHITE TEA

**CHINA WHITE LEAF (WHITE PEONY)** Fuding, Fujian Province, China

This subtle tea has a gentle sweetness with grassy notes & a delicate hint of apricot.

**JASMINE SILVER TIP TEA** Fuding, Fujian Province, China

The tea is not flavoured but carefully scented over six consecutive nights with fresh jasmine flowers. A deep and heady aroma with a light and gentle flavour.

### HERBAL INFUSIONS (CAFFEINE FREE)

**WHOLE CHAMOMILE FLOWERS** Slavonija & Podravin, Croatia

These delicate flowers are carefully dried and kept intact for a sweet and soft flavour. Clean and subtle, these flowers are also wonderfully calming and, of course, caffeine free.

**ENGLISH PEPPERMINT** Tregothnan Estate, Cornwall, UK

A rare English peppermint grown in Cornwall in the 14th century family-run estate. Counter-intuitively, the menthol oils infuse more easily from the dried leaf, giving a brighter, cleaner flavour than fresh mint.

**LEMON VERBENA** Provence, France

Aloysiacitrodora or lemon verbena is originally from South America. It was brought to Europe by the Spanish in the 17th Century. A pure herb with a mellow lemon flavour, it makes a wonderful digestive.

**WILD ROOIBOS** Cederberg Mountains, South Africa

The real South African Red Bush. A richly delicious infusion with deep earthy notes, bright red berries and cedar. Can be beautifully enhanced by the addition of honey or maple syrup and a twist of lemon zest.

**SRI LANKAN LEMONGRASS** Amba Estate, Ravanna Falls

This uniquely complex and full-bodied lemongrass is grown on a remote mountain tea garden above the Ravanna Falls, Sri Lanka. A rich and exceptionally bright herbal infusion with grassy notes of cut hay and lemon drops.
