

THE CORAL ROOM

BEHIND THE PALACE DOORS

The gates are open, the fires are lit, and this festive season,
The Coral Room invites you behind the Palace doors.

Your evening begins, as all good evenings at court do, with a toast:
the Nollaig Royale, served in a Waterford crystal flute.

Then let the festivities unfold. Discover a cast of intriguing characters,
grand occasions and unexpected delights, brought to life through a
collection of cocktails ranging from bright and fragrant to rich and indulgent.

With Belvedere Vodka as our guest of honour, the court awaits.
